

ELEPHANT ROCK

•PRIVATE SAFARI LODGE•

Create your own Superhero Emblem.

Every Superhero has their own personal emblem that defines them as an individual. Spiderman's emblem has a spider, batman's has a bat, Superman's has the big 'S' for SUPER!

Create your own emblem that defines you as a Superhero, draw in the animals that you will protect, or a symbol of the superhero powers that you may have. You may even want to come up with something original, go wild!
